

# REBECCA MCCLAIN

## AWARD-WINNING COACH, STRATEGIST, AUTHOR & SPEAKER

**Executives and Business Owners both agree!  
Working with Rebecca means an increase in  
revenue, greater productivity and improved  
quality of life**

**Rebecca is committed to maximizing your time and  
potential:**

- Executive and Business Coach
- Speaker – keynote, panelist, facilitator, workshops and seminars
- Author of 4 books
- Creator of 2 popular home-study programs
- Recipient of several awards, including:
  - Business Superstar Trailblazer
  - First Lady of the Year Business Leader
  - Who's Who in Atlanta
  - Creative Style Finalist
- B.S. Degree in Business Administration
- MBA in Accounting and Taxation

Rebecca began working with small business owners and non-profits in 1992, engaged in set-up, consulting and tax planning. She is a game-changer in the businesses and lives of people across the nation and internationally. Whether speaking to corporate professionals and entrepreneurs or coaching business owners and executives or publishing books and articles, Rebecca inspires people to take action.

As an entrepreneur, coach, strategist, author and speaker, Rebecca is in tune with the challenges entrepreneurs, business owners and executives face on a daily basis. She has nearly 1000 hours of coaching clients, in addition to developing high-impact products and strategies that help them to identify, confront and overcome obstacles in their businesses and professions.

Executives and business owners both agree! Working with Rebecca means an increase in revenue, greater productivity and improved quality of life.

Rebecca believes there has never been a more critical time to step up ones game and win in work and in life.
